## **SCCL State Political Action Committee**

April 27, 2010

The Honorable Keith Kelly  
390 Edgewood Cir.  
Woodruff, S.C. 29388

Dear Representative Kelly:

LIFEPAC, the state political action committee of South Carolina Citizens for Life, is pleased to endorse you for re-election to the office of South Carolina House of Representative District 35. We appreciate your years of commitment to protecting innocent human life.

Since 1990, the S.C. General Assembly has passed 11 life-protecting laws and during that time period, abortions occurring in our state have dropped by 50 percent. Legislation and political action save innocent human life.

We look forward to working with you again to further enhance the protection of pre-born children and the medically fragile members of our human family.

Sincerely,

Joe Rumler, PAC Chairman

Lisa C. Van Riper, President
